Principal's Message

Dear families,

Welcome back for another school year at St. Martin of Tours! The staff has been hard at work this summer getting ready for our virtual start to the school year. We are excited to work with students again this year, even if the start of school is a little different than what we expected.

Family newsletters will be emailed on Fridays moving forward and will contain relevant and important information. Please set some time aside to read them when you receive them.

Thank you to everyone who was able to make the Family Information Zoom Session this past Tuesday. The slides from the night are available for review [on our website](#).

Between now and Monday, you will receive an email with a direct link to the Zoom sessions and website of your child's teacher.

Thank you for the privilege of educating your child. I wish the best for you and your families this year.

God Bless,

Ms. Nobles
 Principal
