Principal's Message

Dear families,

Despite the winter weather preventing some in-person instructional days, we have managed to have 18 full days with students in the building, and we have reopened for all grades!

Please note that if your child is coming for in-person instruction, the expectation is that your child will report on the days they are designated to be in school unless they need to quarantine or have another legitimate reason to stay home. Please inform your child's teacher if your child needs to miss in-person instruction. Repeated instances of children staying home on days they are meant to be in the building without a legitimate reason may result in the student being switched to virtual instruction. Thank you for your cooperation.

School pictures will be taken on March 9 (Maroon Cohort), March 10 (Gray Cohort), and March 12 (virtual students who would like a school picture). Pictures on March 12 will be taken in the School Gym. More information will be sent home with families soon.

God Bless,
Ms. Nobles
Principal
