

Principal's Message

Dear families,

I hope that you and your loved ones enjoyed the beautiful spring-like weather this week! With the change of seasons comes the hope of brighter days ahead. Although we hope for the end of the pandemic soon, it is still important that we all stay vigilant and do our part to keep our school community healthy. Thank you for your continued attention to the following matters:

- 1) Please continue to complete the symptom screener that is emailed to you each morning your child comes to school.
- 2) Please alert the school immediately if your child develops symptoms of Covid or is exposed to someone who has Covid or symptoms of Covid. Please keep your child home if this should happen.
- 3) St. Martin of Tours requires a quarantine period for any student who travels out of state or internationally. If you travel outside of the state, please do not send your child to school and let your child's homeroom teacher know.
- 4) Please return signed Covid testing permission forms to school. Our school nurse is able to test students who become symptomatic during the school day. We must have your permission on file prior to testing and cannot get verbal consent over the phone.

Additionally, please note that students who are slated to come for in-person instruction are expected to come unless there is a legitimate reason they cannot. Students who continue not to report may lose their spot in hybrid learning. Please contact the office if you have decided to switch your child to fully virtual. Thank you for your cooperation.

God bless,
Ms. Nobles
Principal
