## Saint Martin of Tours Catholic School Family Newsletter

April 22, 2021

### Principal's Message

Dear families,

As the end of the school year gets closer, I want to inform you of some upcoming events and activities for our SMT community. You will receive more specific information about each of these events in the weeks to come:

May 3: MAP testing begins

*All students reporting in person will take MAP testing on the days they report. This spring, we hope to have as many virtual students come into the building to test as possible, instead of testing remotely as we did in the fall. More details around dates and our safety plan will be shared with virtual families next week.*

May 3-7: Teacher Appreciation Week

*More information about how you and your child can participate will be shared next week!*

May 14: Talent Show Virtual Debut

*Please see the attached flyer for information!*

We are working to finalize our plans for the last weeks of school, including graduation, to ensure that they are Covid-safe and meet the needs of our families and will have more information for families soon.

God bless,  
Ms. Nobles  
Principal
